When can we hook up?

Whether it's cutting-edge technology, budget-conscience decisions or extending the life of previous telephony investments, Netecs has the answer. All Netecs telephony has a lifetime warranty.

If your telephony requires VoIP (Voice over IP), analog or digital, Netecs has the expertise, experience and technical ability to implement your telephony solution.

Take the **dirty talk** out of the phone.

Netecs' telephony offerings include new, authorized, refurbished and pre-owned varieties.

<p>1 Our multi-manufacturer telephony expertise helps support many of our customers' newer or legacy telephony solutions.</p>	<p>2 Using today's leading technologies to recondition phones, Netecs phones come with a lifetime warranty.</p>	<p>3 Is it VoIP, digital or analog? Your telephony needs are a perfect way to hook up with Netecs.</p>	<p>SOLUTION! Trust your telephony in our state of the art recertification facility and warranty to match.</p>
